

**University of Mississippi Medical Center
GMEC Policy on Leave**

Leave will be accrued in accordance with UMC policy, and as permitted by the VA. Leave must be reported and may be granted in accordance with the requirements of the individual residency programs, and in addition, in accordance with the requirements of the VA for those residents assigned to the VA. A resident must not take leave without first obtaining approval from the program director.

Approved GMEC 5/22/2003
